

# INSURANCE BILLING

## Get paid right away!

We make your insurance billing process as speedy and snag-free as possible. Our remote staff pay keen attention to detail and are well equipped to handle your pharmacy's billing concerns.

### This service can help you:

- Receive insurance feedback promptly.
- Increase billing efficiency.
- Resolve billing issues faster.
- Track billing activity easily.
- Keep patient billing records up to date.
- Have organized and accurate billing records.
- Reduce errors in billing and claims.

# ACCELERATE YOUR BILLING PROCESS AND IMPROVE YOUR PHARMACY'S REVENUE CYCLE.

## Get Responses Instantly

Using a pharmacy software with real-time connectivity to insurance companies, our remote staff can process insurance claims and receive feedback within seconds.

## View Transaction Details

We can provide a detailed breakdown of each of your transactions so that you can review important details like the adjudicated cost and copay.

## Track All Billing Activities

Using transparent reports and a solid audit trail feature, we can help you keep an eye on everything billing-related in your pharmacy.

## Process Bills Faster

Speed up your pharmacy's workflow by assigning all billing tasks to our reliable remote prescription billers.

## This is just one of our family of services!
